Objective:

A versatile and creative tech enthusiast with expertise in UI/UX design, mobile app development, web development, graphic design, and software engineering. Passionate about leveraging technology to create innovative solutions that enhance user experiences.

Education:

Bachelor of Science in Computer Science
University of California, Berkeley
Graduated: May 2013

Skills:

- UI/UX Design
- Mobile App Development (iOS and Android)
- Web Development (HTML/CSS, JavaScript, React)
- Graphic Design (Photoshop, Illustrator)
- Software Engineering (Java, Python, C++)
- Project Management

Experience:

UI/UX Designer & Mobile App Developer

TechSolutions Inc., San Francisco, CA
June 2013 - Present

- Lead UI/UX designer and mobile app developer, responsible for designing and developing intuitive and visually appealing user interfaces for mobile applications.
- Collaborate with cross-functional teams to gather requirements, create wireframes and prototypes, and iterate designs based on user feedback.
- Develop native iOS and Android applications using Swift, Kotlin, and React Native, ensuring seamless performance and user experience across platforms.
- Conduct user research and usability testing to identify pain points and optimize user journeys for maximum engagement and satisfaction.

Web Developer & Graphic Designer

DigitalCraft Agency, San Francisco, CA
August 2013 - May 2015

- Designed and developed responsive websites for clients across various industries, utilizing HTML, CSS, JavaScript, and WordPress.
- Created custom graphics and branding materials, including logos, banners, and marketing collateral, using Adobe Photoshop and Illustrator.
- Worked closely with clients to understand their branding requirements and translate them into visually compelling design solutions.

Projects:

1. Mobile App: Designed and developed a mobile application for a local restaurant, featuring online ordering, table reservations, and loyalty program integration.
2. Website Redesign: Led the redesign of a corporate website for a tech startup, resulting in a modern, user-friendly interface and improved conversion rates.
3. Graphic Design Portfolio: Created a digital portfolio showcasing graphic design projects, including branding, packaging, and promotional materials.

Certifications:

- UI/UX Design Certification (Coursera)
- Mobile App Development Certification (Udemy)
- Graphic Design Certification (Adobe Certified Expert)
